

IAN COLVIN ABOUTME

Speaker key

IC Ian Colvin

IC Ian Colvin. I'm global category director for Tea in the Food Solutions business, which is the food service division of Unilever. From the age of about 11 I knew I always wanted to work in marketing from the point where I used to sell Mars Bars in the school playground that I'd bought in a multi-pack and broken up. So I knew marketing was the career I wanted to get into.
